Meridian Value Chain

HOW WE THINK

Our value chain is a way of thinking that guides every engagement. We start with clarity, shape the right strategy, transform with impact, enable people and technology, and sustain value for the long term.

1. UNDERSTAND

Understand the context, market, customers and capabilities.

CLARITY ON
THE REALITY

2. DEFINE

Define the right strategic choices and priorities.

DIRECTION WITH
FOCUS

3. TRANSFORM

Design and execute transformation to deliver measurable impact.

IMPACT THROUGH
EXECUTION

4. ENABLE

Enable people, processes and technology to scale.

CAPABILITY FOR
SUSTAINED PERFORMANCE

5. SUSTAIN

Embed, evolve and sustain value for the long term.

ENDURING VALUE
CREATION

A continuous chain. A connected mindset. **Value at every link.**

MERIDIAN MARKET POSITIONING

WHO WE ARE

Meridian & Company aspires to be a trusted Strategy • Transformation • AI advisory, recognised for helping organisations create enduring value through strategic clarity, disciplined execution, organisational capability and AI-enabled transformation.

MERIDIAN & COMPANY IS FOUNDED IN 2026 with a simple belief: meaningful transformation extends beyond business outcomes.

Sustainable success is achieved when individuals, organisations, and civilisation **discover**, **nurture**, and **realise** their **potential**.

WHAT WE OFFER

Meridian & Company helps organisations create enduring value through strategic clarity, disciplined execution, organisational capability and AI-enabled transformation. By integrating Strategy, Transformation and AI into a single advisory approach, we help clients achieve sustainable growth while building the capabilities required for long-term success.

• SUPPORTING PRINCIPLES •

BUSINESS FIRST

We begin with the business challenge.

STRATEGY TO EXECUTION

We bridge the gap between strategy and implementation.

CAPABILITY BUILDING

We strengthen organisations so they can sustain success independently.

AI AS AN ENABLER

We apply AI where it creates measurable business value.

LONG-TERM PARTNERSHIP

We seek enduring client relationships built on trust and results.

Meridian Practice Areas

WHAT WE DO

We partner with organisations to solve their most complex challenges across **Strategy**, **Transformation** and **AI** to deliver sustainable, measurable impact.

STRATEGY

Defining direction. Creating advantage.

Market Assessment & Feasibility
Assess opportunities and market potential.

Commercial & Growth Strategy
Design strategies that drive profitable growth.

Go-to-Market Strategy
Build winning propositions and routes to market.

Strategic Partnerships
Identify, structure and manage strategic alliances.

Innovation Advisory
Create, evaluate and scale innovative solutions.

TRANSFORMATION

Designing and delivering lasting change.

Operating Model Transformation
Redesign operating models for agility and scale.

Business Transformation
Drive enterprise-wide transformation and value.

Go-to-Market Execution
Execute with focus, discipline and speed.

Change & Capability Building
Embed change and build organisational capability.

AI

Applying AI to create real-world impact.

AI Strategy
Define the right AI opportunities and roadmap.

AI Transformation
Embed AI into processes, products and decision-making.

AI Enablement
Build data, platforms and capabilities to scale AI.

One **integrated** approach. Three complementary areas. **Enduring value** for our clients.

CORPORATE CAPABILITY DECK

**MERIDIAN
& COMPANY**

STRATEGY • TRANSFORMATION • AI

GUIDING TRANSFORMATION.
CREATING ENDURING VALUE.

MERIDIAN MARKET ASSESSMENT FRAMEWORK

A structured approach to understand markets, evaluate opportunities and make confident strategic decisions.

01

MARKET

Assess the overall market opportunity, size, growth trends and macro factors.

02

INDUSTRY

Understand industry structure, value chain, key players, regulations and success factors.

03

CHANNEL

Evaluate route-to-market options, channel structure, economics and effectiveness.

04

CUSTOMER

Identify customer segments, needs, buying behaviour and decision drivers.

05

COMPETITOR

Benchmark the competitive landscape, strengths, weaknesses, positioning and market share.

06

COMMERCIAL OPPORTUNITY & STRATEGIC RECOMMENDATIONS

Translate insights into commercial opportunities, strategic choices and actionable recommendations.

MERIDIAN PERSPECTIVE

Successful growth begins with understanding the market before making strategic decisions. Meridian's Market Assessment Framework transforms market intelligence into actionable commercial opportunities and strategic recommendations.

**MERIDIAN
& COMPANY**
STRATEGY • TRANSFORMATION • AI

GUIDING TRANSFORMATION.
CREATING ENDURING VALUE.

MERIDIAN COMMERCIAL GROWTH FRAMEWORK

A proven approach to build a scalable commercial engine that drives sustainable growth and long-term value.

MERIDIAN PERSPECTIVE

Growth is not accidental. It is the result of strategic choices, disciplined execution, strong capabilities and a relentless focus on creating value for customers and stakeholders.

FOCUSED STRATEGY
Clarity on where to play and how to win.

CUSTOMER-CENTRIC
Create and deliver superior customer value.

EXECUTION EXCELLENCE
Execute with discipline, speed and accountability.

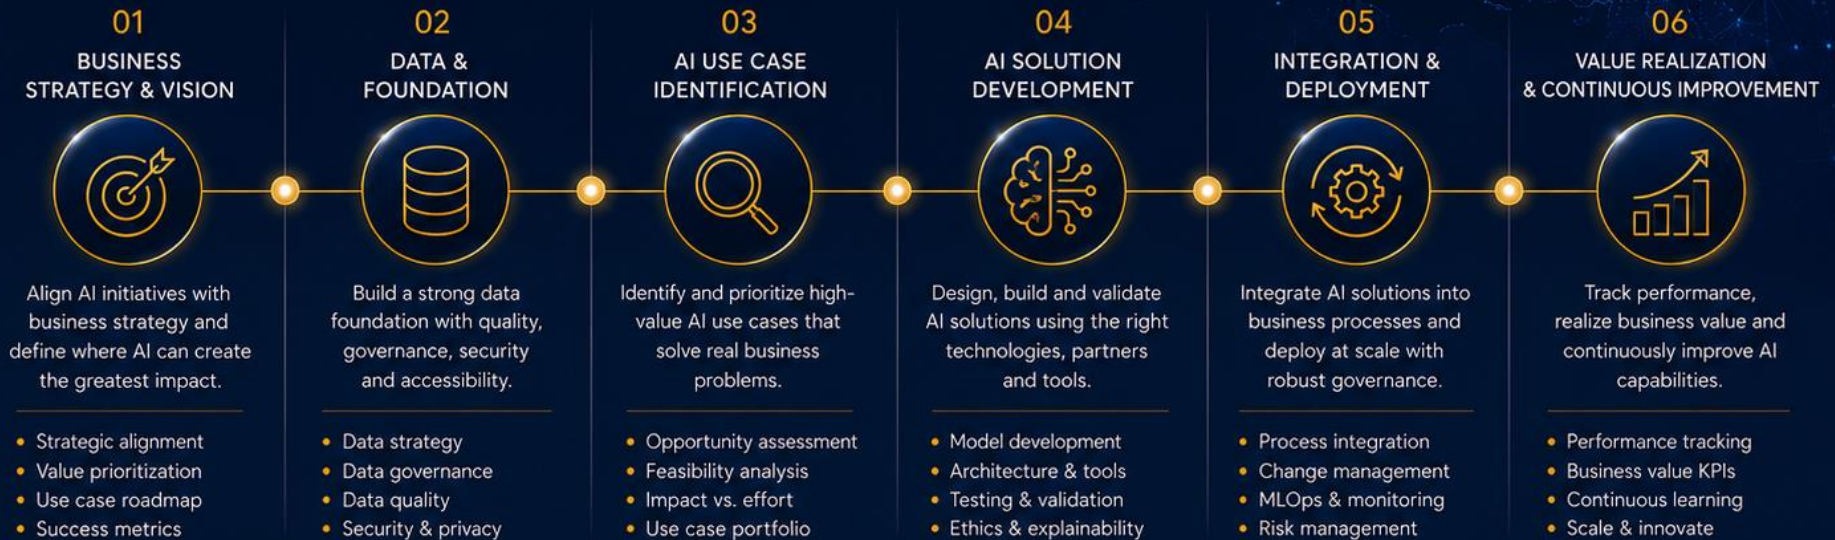

MEASURABLE IMPACT
Drive profitable growth and long-term value.

MERIDIAN AI TRANSFORMATION FRAMEWORK

A structured approach to embed AI into your business,
unlock productivity, drive innovation and create measurable value.

MERIDIAN PERSPECTIVE

AI transformation is not just about technology—it is about aligning strategy, data, people and processes to deliver meaningful outcomes. Our framework ensures AI drives real business impact, responsibly and sustainably.

STRATEGIC ALIGNMENT

AI initiatives aligned to business goals and measurable outcomes.

DATA-DRIVEN FOUNDATION

Trusted, secure and accessible data that powers AI success.

SCALABLE SOLUTIONS

Robust, secure and scalable AI solutions built for enterprise impact.

PEOPLE & CULTURE

Empowered teams and a culture that embraces AI-driven change.

SUSTAINABLE VALUE

Continuous improvement that delivers long-term business value.

MERIDIAN TRANSFORMATION MATURITY FRAMEWORK

Assess. Understand. Elevate.

A structured model to assess transformation capability and chart the path to becoming an adaptive, future-ready enterprise.

MERIDIAN PERSPECTIVE

Transformation is a journey, not an event. Our Maturity Framework helps organisations understand where they are today, what it takes to progress, and how to become an adaptive enterprise that creates enduring value.

FROM REACTIVE TO ADAPTIVE. FROM CHANGE TO TRANSFORMATION.

**MERIDIAN
& COMPANY**

STRATEGY • TRANSFORMATION • AI

GUIDING TRANSFORMATION.
CREATING ENDURING VALUE.

MERIDIAN INNOVATION FRAMEWORK

A repeatable system to uncover opportunities, create breakthrough solutions and deliver sustainable impact.

MERIDIAN PERSPECTIVE

Innovation is not a one-off activity—it is a disciplined capability. Our Innovation Framework helps organisations systematically turn opportunities into impactful solutions and build a culture that continuously creates enduring value.

CUSTOMER CENTRIC

Solve real problems that matter to customers.

STRATEGIC ALIGNMENT

Focus innovation on opportunities aligned to strategy.

DISCIPLINED PROCESS

Use a repeatable process to reduce risk and increase success.

COLLABORATION

Leverage diverse talent and partnerships to accelerate innovation.

MEASURE & IMPACT

Track outcomes, learn fast and scale what works.

INNOVATE BOLDLY. BUILD MEANINGFULLY. CREATE ENDURING VALUE.

Why Meridian

WHAT SETS US APART

We combine **strategic thinking**, **transformation expertise** and **AI** with a long-term perspective to help you create **enduring value**.

PURPOSE-LED

Guided by The Meridian Divine Light—our philosophy that every individual, organisation and civilisation has the potential to grow, create and flourish.

STRATEGIC DEPTH

Deep expertise across strategy, growth, transformation and AI enables us to solve complex challenges and unlock new opportunities.

HOLISTIC PERSPECTIVE

We connect the dots across people, processes, technology and ecosystems to deliver integrated and sustainable outcomes.

MEASURABLE IMPACT

We focus on outcomes that matter—driving growth, improving performance and creating long-term value.

PARTNER, NOT JUST ADVISOR

We work alongside you as a trusted partner, committed to your success at every step of the journey.

AI AS A FORCE MULTIPLIER

We help you leverage AI strategically and responsibly to enhance decisions, accelerate transformation and build future-ready capabilities.

GLOBAL EXPERIENCE

Proven track record across industries and geographies—Asia Pacific, Middle East and emerging markets.

INTEGRITY & EXCELLENCE

We uphold the highest standards of integrity, rigour and excellence in everything we do.

One **philosophy**. Three **piliars**. Infinite **potential**.

UTKARSH KISHORE

Founder & Managing Partner

Strategy • Transformation • AI

Entrepreneur | Author

Utkarsh Kishore is a strategy, growth, and business transformation professional with over 15 years of experience helping multinational corporations and growth-stage businesses navigate change across Asia-Pacific and emerging markets. Alongside his corporate career, he has also built and scaled an entrepreneurial agri-asset venture.

He founded **Meridian & Company** with a simple belief: meaningful transformation extends beyond business outcomes. Sustainable success is achieved when individuals, organisations, and civilisation discover, nurture, and realise their potential. Guided by **The Meridian Divine Light**, the firm's philosophy, Meridian combines strategy, transformation, and AI with a long-term perspective to help clients create enduring value.

Drawing on experience across strategy, transformation, growth, and AI, Utkarsh works with leadership teams to translate strategic ambition into practical execution, helping organisations build stronger commercial capabilities and create enduring value.

Beyond his advisory and entrepreneurial work, Utkarsh is the author of **The Divine Light Series**, a collection of books exploring leadership, human potential, organisations, AI, and the long-term evolution of civilisation. His writing is guided by the same philosophy that underpins Meridian & Company.
